To The Secretary to Government,
Development Department.

Sir,

I have the honour to submit herewith, for approval and publication in the Fort Saint George Gazette, a draft notification under section 24 of the Madras Forest Act for the disforestation of the southern half of Ubbalagandi reserve, covering 115.92 acres in the Bellary District.

2. The portion in question is extremely narrow and contains poor growth of no value to the Department. It lies also close to the Ubbalagandi village, being within a distance of from 10 to 12 chains of the village site, while village cultivation extends up to the limits of the reserve. The area contains also a temple resorted to by the public besides a well which is the only source of supply for water.

watering the village cattle.

3. In the circumstances, the local officers recommend that the area should be disforested and I agree with them.

4. Ubbalagandi reserve was constituted under G.O. No. 267 Revenue dated 18th March 1892.
